RODNEY AHO

The boy in this poem is tall and
slim,
And for sunlight loving, he has
quite a whim.
When he sees a pretty girl he
starts to shake,
To see him then you'd think he's
fake.
Football he likes, but basketball
better,
In each of these he has earned a
letter.
When he takes the pictures the
setting's are right,
When they're developed, such a
horrible sight,
In Algebra class he works like a
demon,
From the work he does you'd think
he's a ho-man.
With all this description and
rig-a-maro,
You'll surely recognize him as
"Pogo."

BARBARA ANDERSON

Now here is a pretty brunette
gal,
You'll find in her a real pal.
She works at a little grocery
store,
For a cat like her it's quite a
bore.
In the chorus she sings in a vo-
ice that is low,
And in the band, on a flute sh-
e'll blow.
Her recent guy's name is Ron,
But we can't keep track of the
ones that have gone.
Memories have we of the meals she
cooked,
But we won't explain just how th-
ey looked.
No matter, Barb, you'll get
along,
You know all you do isn't always
wrong.

ROBERTA GROSHEK

Small of stature and fair of
curl,
Is my dear friend a senior girl.
Graceful, blue eyed, dainty, and
slender,
A beautiful smile and a heart so
tender.
Buoyant and gay the whole day
long,
She reminds me of a merry song.
So loyal is she to the blue and
gold,
I'm sure the story has often been
told.
How she works for our school and
cheers for the teams,
Just the kind of a girl, lads see
in their dreams.
Sweetheart of C.V. High, is she,
How lucky for Gussy, her choice
to be.
What a picture she was in her
gown of blue sheer,
As she was crowned queen of Home-
coming this year.
Good luck and best wishes in all
that you do,
Roberta, dear schoolmate, this
ode is to you.

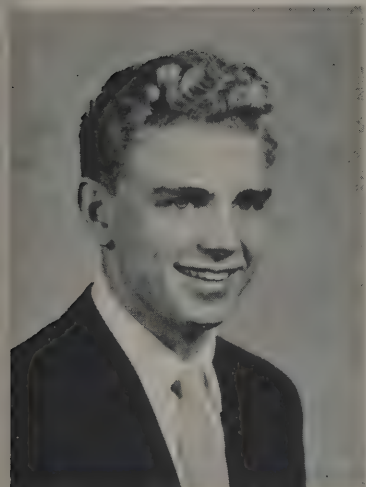

GERALD GUSTAFSON

He has blonde curly hair and
blue-green eyes,
And he's such a big fellow for
his size.
He isn't a show-off in basket-
ball,
But if he wants to, he can top
them all.
He goes with a girl by the name
of Bert,
But everybody knows he's just a
big flirt.
You can find him at the Pioneer,
bowling,
At the end of the game you'll see
Bert consoling.
When he is gone there'll be no
fooling around,

GERALD GUSTAFSON (cont)

Cause when he is here, we have a clown.
He's tricky with teachers but we never care,
For if he were'nt, there'd be nothing there.

CAROL HAGGLAND

Carol is a girl so bright and fair,
With short, curly, blond hair.
Many of you may think she's quiet,
But in Two Harbors she's quite a riot.
Of all the things that she can do,
She has a talent that is shining and true.
Her drawing is by far the best,
Rated way above the rest.
She doesn't care much for her studies,
At least that's what I hear from her buddies.
We wish you much luck in the future years,
And hope you will never shed a tear.

BRIAN HARLIN

Ship Ahoy! avast with thee!
Can you guess who this may be?
Six foot tall and eyes of green,
With a smile he may be seen.
This old salt may shake and shudder,
Not from fear but with a shudder.
With the cuties you do rate,
Who could it be, Linda, Sue, or Kate?
Taking pictures is your delight,
From early morn till late at night.
Brian Harlin is the name,
In your life may you have fame.
He is well-liked by his friends,
And we hope it never ends.

GERALD JACKSON

Here is Jerry Jackson,
Who is always ready for action.
He's on our Basketball team,
And is always on the beam.
He was good in class,
And we know he'd pass.
We hope he has success,
And is never in a mess.
He usually pals around with Gus,
This is known by all of us.
Fame and fortune is his aim,
All of this we hope he'll gain.

LOUIE JACKSON

He never looks grouchy, he's a happy young clod,
But--you can't get no where with a name "Icabad."
Sports is his line, mostly basketball I'll say.
His running is graceful in a lazy old way.
He's tall and quite slim, his hair is blond curls,
He looks shy, but he's famous with all of the girls.
Now don't get me wrong, he's not handsome we'll say,
He's cute in a sort of devilish way.
He's not tops in his grades but he's well on his way,
He looks like he's loafing but he's working away.

GENE KEYSER

Gene Keyser has red hair,
And he sets around with out a care.
His car is a heap,
And it rides like a jeep.
In Trig and Algebra he is a brain,
But he really likes to raise cane.

(cont)

Gerald Stanley Jackson....."Jerry"
 "In football he has earned a name, to play it well was his aim."

Football 1,2,3,4, Library Cadet 3, Class Play 3, 4, Basketball 1,2,3,4, Track 4, Baseball 1,2,3, 4, Letterman's Club 3,4, Homecoming 3.

Lyle Harold Jackson

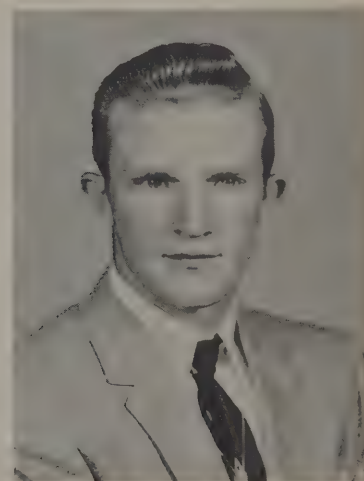

"A gentle man of rural breeding, through his books and reading."

Echo Staff 1,2, Annual Staff 4, Library Cadet 2, Homecoming 3, Magazine Drive 4, Letterman's Club 4, Camera Club 1,2,3,4, Football 4, Basketball 2,3,4.

Gene Ellsworth Keyser

"Little said is soonest mended."

Football 4, Chorus 3, Library Cadet 3, Class Play 3,4, Homecoming 3, Baseball 4, Movie Operator 4, Letterman's Club 4.

David Paul Laiti....."Dump"

"When the subject is girls, you'll agree, this fellow rates a bachelors degree."

Football 1,2,3,4, Class Officer 4, Track 1,2,3, Basketball 1,2,3,4, Letterman's Club 3,4, Baseball 1,2,3,4.

GENE KEYSER (cont)

Teachers beware,
Watch that red hair.
In football he is a guard,
And the man he hits down hard.
Eventhough he acts shy,
He really is a nice guy.

DAVID LAITI

Bumpy Dumpty sits in his desk,
It is his favorite spot to
rest,
When the girls walk by, his face
turns red,
And if they speak, he hides his
head.
He looks bashful, and shy, but
girls: Beware,
There's really some devilment
lurking there.
They say that basketball is his
main ambition,
But we can make another addition-
football, baseball, and in
track,
For all of these he has the
knack.
So teachers: Beware, take care
and smile,
If you can keep him awake, he's
really worth-while.

ROBERT LAKE

Six foot-four and what a chassis,
He will thrill every lassie.
Blue eyes with blond, curly hair,
This boy simply ain't square.
He's the neatest one in town,
Sometimes acting like a clown.
Mexico has its hot tamale,
His temper can match that-----
by golly!
Football, basketball, and in
track,
To score in these he has the
knack.

(cont)

ROBERT LAKE (cont)

If you can't guess his name by
now,
I would say, Bob Lake, WOW!

KARL MANDELIN

Karl is a real good guy,
For his friendship we all will
vie.
Rarely a smile adorns his face,
But really he isn't a strict
"straight-lace."
He is student manager of the Cav-
aliers,
And there is not a thing that he
fears.
He'll be remembered by his bright
red car,
That he keeps intact without a
mar.
With long legs and a good wide
gait,
We can be sure he'll never be
late.
That he failed can never be said,
With his personality he'll get
ahead.

DOROTHY OBERG

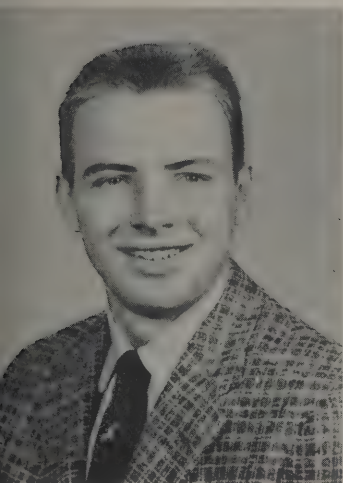

Dorothy is the quiet one of the
senior class,
Though she really is a pleasant
lass.
"Dot" is the nickname she goes
by,
To capture her looks we would all
try.
Blonde and curly is her hair,
Of her looks she takes great
care.
"Be neat and clean" is her creed,
From this good habit she has
ne'er been freed.
She takes Home Ec. and is no
faker,
When she is married, she'll be a
real homemaker.

DOROTHY OBERG (cont)

A joy to teachers and classmates
she will be,
She studies and cooperates willingly.

MARGARET PETERSON

Margaret is the gay one in the
Senior room,
She'll make a happy bride for
some lucky groom.

Her machine gun giggle has won
her fame,
"Pete" is Margaret's usual nickname.

Taking shop class is her main
ambition,

The boys in class agree, "what an
addition!"

Skiing is her jolly, happy, past
time,

Though she dislikes the uphill
climb.

Letters to Pen pals she's always
mailing,

She collects travel guides to
keep from failing.

Margaret really is a lot of fun,
And as for enemies, she has
not a one.

FRED POE

Though his complexion is always
red,

You can identify him by his name,
which is Fred.

Short and stocky are his dimensions,

And he can draw almost anyone's
attention.

One hundred points in football he
scored,

A long hair could watch him and
not even be bored.

When he got the ball, he was gone
like a shot,

And many a point from his effort
we got.

(cont)

FRED POE (cont)

The subjects he takes keep him in
a whirl,

But he still has time to go out
with his girl,

Who holds down his leisure and
keeps him from rest,

And everyone knows he is one of
the best.

JACK ROSE

When you see a speeding Plymouth,
You will know it's Jack with in
it.

Jack does just enough work so the
teachers suspect,

That he knows to a point what
they expect.

Rose, who is in the Bachelor's
class,

Is always after a pretty lass.

When you want someone to take a
date,

Just ask Jack, he'll always be
there.

When tempers flare,

Jack is there.

Next year he won't be here,

To bring the teachers their
classroom cheer.

JANET SCHWENDINGER

Here is Janet Schwendinger,

Who never likes to linger.

When she goes to school,

She always obeys the golden
rule.

Margaret and Janet take shop,

At which I think they are on
top.

Janet is in the School Band,

With which she has a musical
hand.

"Jan" is her nickname,

Which may bring her fame.

Why, she is a whiz at baseball,

I think that she is the best
of all.

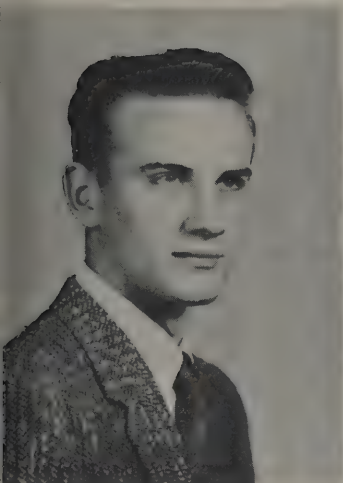

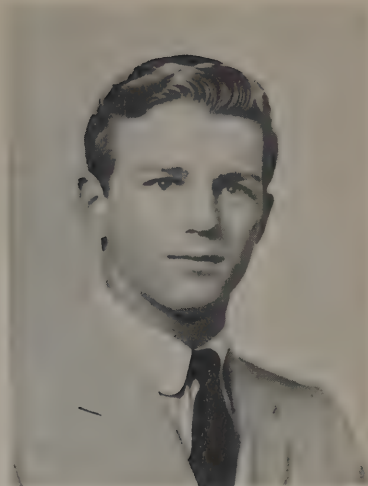

Ranking high in class is she,

A real pal we'll all agree.

James Fredrick Poe....."Fred"

"And still they gazed and still their wonder grew that one small head could carry all he knew."

Annual Staff 4, G.A.A. 3,4, Chorus 3,4, Magazine Drive 4, Speech 3, Senior F.H.A. 4, Class Officer 4.

CONNIE SURBER

Connie Surber has dark hair,
And also skin so fair.
She came to our school two years
ago,
And since then we've all loved
her so.
She has that giggle that everyone
would know,

It follows them every step they
go.

When you think of Connie think
also of Terry,
Because it is he who makes her so
merry.

Connie has talent in everything,
She can sew, cook, and sing.
Connie, we wish the best for you,
So in that way we say adieu.

On September 4th, 1956 twenty-three eager and hopeful classmates entered their classroom, this semester as "Juniors". We happily received Mr. Herbert Johnson as our homeroom teacher for the third time in our high-school history.

To assure us that we were actually Juniors we ordered our class rings on September 6th. The popular style for the boys was a gold ring set with a black onyx stone. The girls chose gold with white mother-of-pearl stones. We received them in December.

The peppy Juniors are never in the background. At Halloween time a party was given by under the theme "Halloween Hoax." In November the Juniors honored the Seniors with a tea. Everyone worked at decorating, planning the refreshments, and issuing invitations. In May we are giving a prom and inviting the high school. We are planning it very carefully to be sure it is a success. Also in May an Honor Banquet will be given by our class for the Seniors.

In supporting school activities we think the Junior class is doing exceptionally well. In magazine sales we went over our class quota. Two cheerleaders and an alternate cheerleader were chosen from the Junior Class and the boys Participate enthusiastically for athletics. Each club or organization is well represented with Juniors, also.

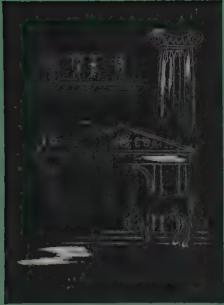

We are enjoying our Junior year but look with anticipation toward being Seniors. We plan to continue with our good spirit to the very end.

FOOTBALL

As the whistle sounded on October to end the last game of the 1956 football season, it also ended the best season in Clover Valley's history as we received the trophy for the South St. Louis County Championship. The Cavaliers displayed a good offense and defense as they defeated Cherry (41 to 6) who came in second place in the North St. Louis County football league.

The following are some statistics of the season, and the scores of the conference games.

Clover Valley 45	Brookston 13
Clover Valley 52	Albion 7
Clover Valley 47	Cotton 6
Clover Valley 32	T. H. 19

During season play Clover Valley averaged a point a minute, and we outscored our opponents 239 to 76 points during season play. The only run in our perfect season was at the hands of Wrenshall. They won, 19 to 10. It was the first game of the season.

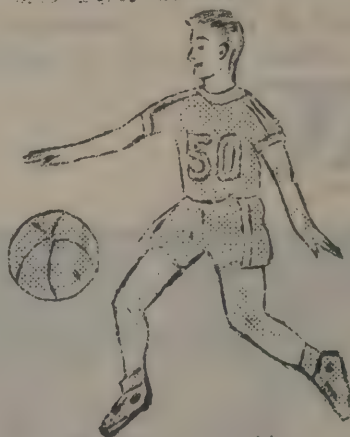

BASKETBALL

When the basketball season ended this year, the Cavaliers had finished with the most successful season on record. Our season record was 16 wins and 4 losses, and we had a 7-1 conference record. Clover Valley outscored their opponents 1153 to 951 points for the season.

Our South County tournament scores were as follows:

C.V.-73	Cotton-53
C.V.-44	T.H. 46

These tournaments were held on the T.H. floor.

Earlier in the season, Clover Valley whipped T.H. on a neutral floor at Waco by a score of 56-40. This game was to determine the South St. Louis County Championship.

We wish to congratulate the team for their fine showing, and especially its captain, David (Dug) Smith for his fine performance throughout the basketball season.

Our thanks also goes to Mr. Hess and Mr. Molander for their fine job coaching through the season, and also to Karl Mandelin for his efforts as student manager.

We would like to compliment the Clover Valley fans for their excellent attendance and display of good sportsmanship at the games.
